Thank you for your interest in  
supporting the Phippen  
Museum's mission

"To preserve and exhibit museum quality western art, and educate the public about the unique heritage, history, legends, and influence of art of the American West."

### The Phippen Museum houses three categories of collections:

- **The Permanent Collection:** Works that are regarded as assets of the museum. This Collection contains artwork that serves to reinforce the museum's mission statement and are of distinguished quality, rare, or historical significance.
- **The Secondary Collection:** Items that do not meet the criteria for acquisition to the permanent collection. The Museum cannot accept a long-term obligation for their preservation, and they will be considered expendable to benefit the Art Acquisition Fund.
- **The Western Heritage Collection:** Artifacts, photos, articles, and other memorabilia that celebrate the rich western heritage of those individuals who had a huge impact on the growth and development of the cattle industry in Prescott and Yavapai County.

Arrange a time with the curator to deliver the item(s) to the Phippen Museum and a Temporary Custody Receipt will be issued (This option is chosen so the item(s) can be viewed by the Collection Committee during the next meeting.)

2. Any information regarding provenance (i.e., when or where the item(s) were purchased, by whom, duration in a previous collection, etc.)
